---

## SUMMARY

SEO and web implementation specialist with 5+ years of experience executing technical SEO and managing site builds across 10+ CMS platforms. Experienced mentor and interviewer with a track record of improving team performance. AAS in Web Design & Development; proficient in HTML, CSS, JavaScript, Figma, and Adobe Creative Suite.

## EXPERIENCE

### Onsite Implementation Specialist – Mentor Nov 2024 – Present

*Boostability*

- Mentored team members in SEO best practices and CMS workflows, improving onboarding speed and skill consistency.
- Conducted candidate interviews evaluating SEO knowledge and cultural fit to support quality hiring decisions.
- Created learning resources and facilitated Q&A sessions to build team-wide technical competency.

### Freelance Web Designer & Developer Oct 2025 – Present

*Buffalo Bells (Contract)*

- Redesigned client website using Figma wireframes, HTML, CSS, and JavaScript — improving brand consistency and UX.

### Onsite Implementation Specialist Oct 2020 – Nov 2024

*Boostability*

- Executed on-page and technical SEO for clients across WordPress, Joomla, Webflow, Wix, Duda, Squarespace, Weebly, and GoDaddy.
- Implemented schema markup, meta tags, heading structures, and keyword-optimized content to improve organic search rankings.
- Monitored site health using Google Search Console and Google Analytics; identified and resolved technical issues proactively.
- Collaborated cross-functionally in a remote environment to align on client deliverables and SEO strategies.
